C20 Pure Coconut Water
33.8 oz.

Our 100% C20 is from young green coconuts from an especially fragrant and tasty variety that are unique to the inland soils of Thailand. These coconuts are a fresh water varietal that yield a more delightful taste than the salty flavor that accompanies more commonly used coastal coconuts.

All our coconut water is packed fresh, with each batch flavor-tasted before being packed to ensure every can has our signature flavor and quality. C20's great taste is all pure, without extra sweeteners or flavors.
