

Grand Re-Opening of the Down to Earth Kahului Store

With Howard Dicus

Howard: Down to Earth has a grand re-opening...

For its Kahului store.

Saturday, June 22.

Renovation and expansion converting 3000 square feet of storage...

Into retail space...

Effectively increasing the store's size by half.

The store is at 305 Dairy Road.

It is... at least it is after I corrected the typo...

Which originally had it on "Diary Road"...

[Laughter]

Female Anchor: Which would be a big mistake...

Howard: Yeah... sometimes I just type too fast...

Awww... it happens. It happens...
